

A stylized map of a city block. The map features several orange-colored buildings of various shapes and sizes, including a large rectangular building in the upper left, a cluster of smaller buildings in the center, and a long, narrow building in the lower right. Black lines delineate the streets and the boundaries of the buildings. The background is white, and the overall style is minimalist and schematic.

A diagram showing a road layout. A yellow rectangular area is positioned on the right side of a road. Inside this area, there are red dashed lines. A red arrow points from the left towards the yellow area. Two black lines with labels '1' and '2' point to the road surface. Line '1' points to the road surface below the yellow area, and line '2' points to the road surface above the yellow area.
